This Information Memorandum has been prepared in compliance with the STEP requirements laid down in the STEP Market Convention.

Potential investors are invited to read this Information Memorandum, and in particular the Terms and Conditions of the Certificates of Deposit and the Selling Restrictions, prior to investing. Nevertheless, a decision to invest in the Certificates of Deposit should not be made on the sole basis of this document and should only be made (by the potential investor) after a careful analysis of all its features and risks (including the ones on the Issuer), by taking into account its own financial, accounting, and tax situation (and the possible related impacts of purchasing the Certificates of Deposit) and its own objectives, experience, financial and operational resources and other relevant circumstances, and after having obtained all necessary information and advice from professional advisers (including legal, accounting, and tax advisers) if the potential investor estimates such advice is necessary. The potential investor should conduct its own analysis, using such assumptions as it deems appropriate and performing all the checks it would estimate as necessary, and should fully consider other available information, including any risk factor, in order to make an informed assessment of the Certificates of Deposit and of the Issuer and to make an independent determination of the suitability, risks, and consequences of such instrument for the potential investor.

IMPORTANT NOTICE

This information memorandum (together with any supplementary information memorandum and information incorporated herein by reference, the “**Information Memorandum**”) contains summary information provided by the Issuer under which the Issuer may issue at any time short-term Certificates of Deposit in the form of dematerialised certificates of deposit (*certificats de dépôt / depositobewijzen*) pursuant to the Belgian Law of 22 July 1991 (as amended) (the “**Law**”) and the Belgian Royal Decree of 14 October 1991 (as amended) (the “**Royal Decree**”) relating to “*billets de trésorerie et certificats de dépôt / thesauriebewijzen en depositobewijzen*” (the “**Certificates of Deposit**”) up to a maximum aggregate amount of EUR 2.000.000.000 (the “**Programme**”). The Issuer is entitled to issue Certificates of Deposit further to Article 1 §1 second indentation of the Law and this Information Memorandum constitutes a ‘prospectus’ for the purposes of Article 5 of the Law.

Under the Programme, the Issuer may issue Certificates of Deposit outside the United States pursuant to Regulation S (the “**Regulation S**”) of the United States Securities Act of 1933, as amended (the “**Securities Act**”). The Issuer has confirmed to the Arranger and to the Dealer that, in the context of this Programme, the information contained in this Information Memorandum or incorporated by reference, when read in conjunction with the most recently published consolidated annual report and accounts and any subsequent interim statements of the Issuer (copies of which may be obtained from the Issuer on request and are available on the website of the STEP Secretariat), is in all material respects true, accurate and not misleading and that since the date of such press releases, accounts or financial statements, there has been no material adverse change in the financial condition of the Issuer up to the date of this Information Memorandum (or, if applicable, any update thereof or supplement thereto), other than as disclosed in this Information Memorandum or incorporated therein by reference (as updated or supplemented from time to time).

The information contained in the Information Memorandum is not and should not be construed as a recommendation by the Arranger and/or the Dealer or the Issuer that any recipient should purchase Certificates of Deposit. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on the Information Memorandum. The financial information made available to each Noteholder (each a “**Noteholder**”) shall be available on the website www.kbc.com and at the registered address of the Issuer and shall be provided to any Noteholder upon request.

Neither the Arranger nor any Dealer has independently verified the information contained herein. Accordingly, no representation, warranty or undertaking (express or implied) is made and no responsibility or liability is

The Issuer accepts responsibility for the Information Memorandum and its supplements and updates, if any. In particular, the Issuer will be responsible towards interested parties for losses which may occur as an immediate and direct result of the absence or inaccuracy of any matters that are required to be contained herein pursuant to Article 5 of the Law and pursuant to the provisions of Chapter II, Section 2 of the Royal Decree.

No person is authorised by the Issuer or any Dealer to give any information or to make any representation not contained within the Information Memorandum or any supplement hereto, and if given or made, such information or representation must not be relied upon as having been authorised. Neither the Issuer, the Arranger nor any Dealer, except for the Issuer as required by law, accept any responsibility, express or implied, for updating the Information Memorandum and neither the delivery of the Information Memorandum nor any offer or sale made on the basis of the information in the Information Memorandum shall under any circumstance create any implication that the Information Memorandum is accurate at any time subsequent to the date of the Information Memorandum with respect to the Issuer or that there has been no change in the business, financial condition or affairs of the Issuer since the date of the Information Memorandum.

Neither the Arranger nor the Dealer undertakes to review the business or financial condition or affairs of the Issuer during the life of the Programme, nor undertakes to advise any recipient of the Information Memorandum of any information or change in such information coming to the Arranger's or any Dealer's attention.

The Dealer and the Domiciliary Agent will, in connection with their appointment or under the Certificates of Deposit, act solely for and upon the instructions of the Issuer and will incur no liability for or in respect of any action taken by any of them pursuant to the Law and/or the Royal Decree, nor will they have any obligations towards, or a relationship of agency or trust with, any of the holders or owners of Certificates of Deposit.

Neither the Arranger nor the Dealer accepts any liability in relation to this Information Memorandum or its distribution by any other person. This Information Memorandum does not, and is not intended to, constitute or contain an offer or invitation to any person to purchase Certificates of Deposit, nor may it be used for such purposes. The distribution of this Information Memorandum and the offering for sale of the Certificates of Deposit in certain jurisdictions may be restricted by law. Any persons into whose possession this Information Memorandum or any Certificates of Deposit come are required by the Issuer, the Arranger and any Dealer to inform them of, and to observe any such restrictions. In particular such persons are required to comply with the restrictions on offers or sales of Certificates of Deposit and on distribution of this Information Memorandum and other information in relation to the Certificates of Deposit set out under Selling Restrictions set out in *Schedule 1* hereto.

In the case of any doubt about the content or meaning of the Information Memorandum, the functioning of the Certificates of Deposit or about the risk involved in purchasing the Certificates of Deposit, investors should consult a specialised financial adviser or abstain from investing.

The Issuer is involved in a general business relationship or/and in specific transactions with the Dealer (or/and certain affiliates of the Dealer) and that they might have conflicts of interests which could have an adverse effect to the interests of the Noteholders. The Dealers may hold from time to time debt securities, shares or/and other financial instruments of the Issuer. Within the framework of a normal business relationship with its banks, the Issuer entered or/and may enter into facilities agreement with the Dealer or certain affiliates of the Dealer. Such facilities agreement(s) may include different or additional terms or covenants in favour of the lenders under the facilities agreement compared to the terms of the Certificates of Deposit.

THE CERTIFICATES OF DEPOSIT HAVE NOT BEEN NOR WILL BE REGISTERED UNDER THE SECURITIES ACT, AND SUBJECT TO CERTAIN EXCEPTIONS, CERTIFICATES OF DEPOSIT MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S).

The following is a general summary of Belgian taxation as of the date hereof in relation to payments made under and other transfers involving the Certificates of Deposit. It is not exhaustive and holders of Certificates of Deposit who are in doubt as to their tax position should consult their professional advisors.

(a) **FATCA (U.S. Foreign Account Tax Compliance Act)**

According to the FATCA legislation, an Intergovernmental Agreement (IGA) was signed on 23 April 2014 (the Belgian law implementing the FATCA legislation is “*Wet tot regeling van de mededeling van inlichtingen betreffende financiële rekeningen, door de Belgische financiële instellingen en de FOD Financiën in het kader van automatische uitwisseling van inlichtingen op internationaal niveau en voor belastingdoeleinden*” of 16 December 2015) according to which Belgian financial institutions are required to identify and report financial information regarding the Certificates of Deposit (income, gross proceeds, etc.) held directly or indirectly by US persons to the Belgian competent authority, who shall communicate the information to the US tax authorities.

(b) Common Reporting Standard

The Savings Directive (2003/48/EC) of 3 June 2003 has been repealed from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States. The measures of cooperation provided by the Savings Directive will be progressively replaced by the implementation of Council Directive 2014/107/EU of 09/12/2014 on administrative cooperation in the field of taxation which provides for automatic exchange of financial account information between Member States (DAC2), including income categories contained in the Savings Directive (the latter Directive contains a much broader scope of reporting than the Savings Directive).

Under this latter Directive (and the Belgian law implementing this Directive - “*Wet tot regeling van de mededeling van inlichtingen betreffende financiële rekeningen, door de Belgische financiële instellingen en de FOD Financiën in het kader van automatische uitwisseling van inlichtingen op internationaal niveau en voor belastingdoeleinden*” of 16 December 2015) Belgian Reporting Financial Institutions holding these notes for tax residents in another CRS contracting state shall report financial information regarding the Certificates of Deposit (income, gross proceeds, etc.) held by a resident in another CRS contracting country to the Belgian competent authority, who shall communicate the information to the competent authority of the state of the tax residence of the beneficial owner.

(c) Withholding Tax

By application of the Belgian Law of 6 August 1993 concerning transactions in certain securities, the Belgian withholding tax, of which the rate currently is 30%, is *not levied* if the Certificates of Deposit are booked on an account that has been opened in the books of a direct or indirect participant of the X/N clearing system of the NBB, and if the Noteholder falls within the category of persons which are allowed to open an X-account in accordance with Article 4 of the Royal Decree of 26 May 1994 regarding the collection and the reallocation of withholding taxes (the “**Eligible Investors**”). X-account means a securities account in the Clearing System on which Certificates of Deposit are kept for the account of persons or institutions referred to in Article 4 of the Royal Decree of 26 May 1994 (as amended).

Eligible Investors means (i) the resident companies referred to in Article 2 § 1, 5°, b of the Belgian Income Tax Code of 1992 (the "BITC"); (ii) without prejudice to Article 262,1° and 5° of the BITC, the institutions, organisations or companies referred to in Article 2 § 3 of the Law of 9 July 1975 with respect to the supervision of the insurance companies, other than those referred to under (i) and (iii); (iii) semi-governmental institutions for social security or assimilated institutions specified in Article 105, 2° of the Royal Decree of 27 August 1993 implementing the BITC; (iv) non-resident savers referred to in Article 105, 5° of the same Royal Decree; (v) investment funds referred to in Article 115 of the same Royal Decree; (vi) tax-payers referred to in Article 227, 2° of the BITC who hold the Certificates of Deposit for their professional activities in Belgium and who are subject to the non-resident income tax pursuant with Article 233 of the BITC (belasting van de niet-inwoners/impôt des non-résidents); (vii) the Belgian State, for its investments exempted from withholding tax in accordance with Article 265 of the BITC; (viii) investment funds organized under foreign law that are an undivided estate managed by a management company on behalf of the participants, if their rights of participation are not publicly issued in Belgium nor traded in Belgium and (ix) the resident companies not referred to in (i) having an activity that consists solely or mainly of granting credits and loans and (x) only for the income from debt securities issued by legal persons that are part of the sector public authorities, in the sense of the European system of national and regional accounts (ESA), for the application of the European Community Rule N° 3605/93 of 22 November 1993 on the application of the Protocol on the procedure in case of excessive deficits attached to the Treaty of the European Communities, the legal entities that are part of the aforementioned sector of public authorities.

Holders of the Certificates of Deposit that do not belong to one of the categories listed above (i.e. who are not qualified as Eligible Investors) and in respect of which the withholding tax is levied at a current rate of 30% in respect of the Certificates of Deposit include, inter alia, Belgian resident individuals or Belgian non-profit organisations, other than those referred to under (ii) and (iii) above, or Belgian organizations for the financing of pensions as meant in the Law of 27 October 2006.

When opening a X-Account for the holding of Certificates of Deposit, investors are normally required to provide the financial institution where this account is kept with a certificate stating that the investor qualifies as "*Eligible Investor*". Furthermore, this specific certificate has to be kept by the financial institution where this account is kept at the disposal of the Belgian Tax Authorities.

If the Noteholder does not belong to, or ceases to belong to, one of the categories listed in Article 4 of the Royal Decree of 26 May 1994, as amended, its account with the clearing system organised by the Clearer will be designated as a non-exempted account (the "**N-account**"), and, therefore, the Noteholder will

be subject to the withholding tax of which the rate is currently 30%.

(d) Tax Gross Up

If, as a result of any amendment to or any change in the laws or regulations of the Kingdom of Belgium or any political subdivision thereof or agency thereof or therein or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of the relevant Certificates of Deposit, Certificates of Deposit held by the holders of Certificates of Deposit belonging to one of the categories of investors as listed in Article 4 of the Royal Decree of 26 May 1994 regarding the collection and the reallowance of withholding taxes, would become subject to withholding tax on the occasion of the next Interest Payment Date in respect of such Certificates of Deposit, the Issuer may, at its option, either pay such additional amounts to the holder of the Certificates of Deposit as may be necessary for the net amounts received by that holder, after such deduction or withholding, to equal the respective amounts which would have been receivable under these terms and conditions in respect of the Certificates of Deposit in the absence of such deduction or withholding (“**Additional Amounts**”) or, redeem all, but not some only, of the Certificates of Deposit held by such holders of Certificates of Deposit which would be subject to such withholding (in no case earlier than 30 days before the effective date of such new treatment) upon notice being given not less than 15 days prior to the redemption date.

(e) Income Tax

A holder of a Certificate of Deposit, who derives income from a Certificate of Deposit, or who realises a gain on disposal or redemption of a Certificate of Deposit, will, apart from Belgian withholding tax (if applicable, see Clause 1.23(a) above) generally not be subject to Belgian income tax unless (i) the holder is a non-resident who is using the Certificates of Deposit in a fixed base or permanent establishment which he maintains in Belgium, (ii) the holder is a private individual resident of Belgium who is using the Certificates of Deposit for his professional activity, (iii) the holder is a private individual whose income or capital gains arise from transactions going beyond the normal course of management of private property, or (iv) the holder is subject to the Belgian corporate income tax (*vennootschapsbelasting/impôt des sociétés*).

(f) Gift Tax

The Certificates of Deposit will not be subject to Belgian gift taxes provided the gift is not required to be and is not made or evidenced by a deed or other instrument subject to registration in Belgium.

(g) Inheritance Tax

The Certificates of Deposit will not be subject to Belgian inheritance taxes if held by persons not resident in Belgium at the time of their death.

1.24 **Nominal Amount** Means the principal amount or the par value of a Certificate of Deposit, exclusive of premium or interest payable by the relevant Issuer at the Maturity Date of such Certificate of Deposit; it is also the value used for the calculation of interest of an Interest-bearing Certificate of Deposit.

1.25 **Interest Payment Dates** Means in relation to any Interest-bearing Certificates of Deposit, a day determined in accordance with the following provisions:

(a) for Interest-bearing Certificates of Deposit with a fixed rate of interest:

- the first Interest Payment Date shall fall on the date of the first anniversary of the Issue Date of such Certificate of Deposit and each subsequent Interest Payment Date, if any, shall fall on the date of the anniversary in each year of the Issue Date of such Certificate of Deposit, however with the possibility for the Issuer and the investors to agree upon a shorter or longer interest period;
- the final Interest Payment Date shall fall on and coincide with the Maturity Date of such Certificate of Deposit;
- the “*anniversary*” of an Issue Date in each year shall mean the day falling in the same month as and numerically corresponding to the Issue Date of such Certificate of Deposit.

(b) for Interest-bearing Certificates of Deposit with a floating rate of interest:

- the first Interest Payment Date shall fall on the date which is 1, 2, 3, 6 or 12 months or such other periods as the Issuer and the investors may agree upon after the Issue Date of such Certificate of Deposit and each subsequent Interest Payment Date shall fall on the date which is respectively 1, 2, 3, 6 or 12 months or such other period as the Issuer and the investors may agree upon after the preceding Interest Payment Date;
- the final Interest Payment Date shall fall on and coincide with the Maturity Date of such Certificate of Deposit.

If any Interest Payment Date determined in accordance with the above provisions is not a Business Day, payment of the relevant interest amount shall be postponed to the next Business Day, unless, in case of floating rate certificates, such day falls in the next calendar month, in which event it shall mature on the immediately preceding Business Day. Such change of Interest Payment Date will not entitle the

relevant holders of Certificates of Deposit to any payment claim nor to any interest claim or other compensation.

- 1.26 **Late Payment Interest** Means any amount remaining unpaid under any Certificate of Deposit shall itself bear interest without prior notice and until the actual payment of all amounts due, such late payment interest being calculated
- in respect of Certificates of Deposit in EUR on a day to day basis at the rate of 1% per annum above “*het marginale voorschottentarief van de Europese Centrale Bank*” (as published on Reuters page ECB01); or
 - in respect of Certificates of Deposit in any Selected Currency above, the prevailing overnight inter-bank offered rate in the relevant currency as published on the relevant page of the Reuters Screen at 11.00 a.m. in the financial centre where such inter-bank offered rate is fixed. Late Payment Interest will not be calculated on a compound basis.

“Selected Currency” shall have the meaning as mentioned in Clause 1.7.

- 1.27 **Euro and EUR** Means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

- 1.28 **Business Days** Means (i) a day other than a Saturday or Sunday on which the Securities Settlement System of the National Bank of Belgium is operating and (ii) a day on which banks and forex markets are open for general business in Belgium and in the country of the relevant Selected Currency in which the Certificates of Deposit are denominated, and (iii) (if a payment in euro is to be made on that day), a day which is a Business Day for the Target 2 System.

Target 2 System means the Trans European Automated Real-Time Gross Settlement Express Transfer System.

- 1.29 **Issue Date** Means in relation with any Certificates of Deposit, the Business Day on which such Certificates of Deposit are issued under the Programme and on which cash payments are due to be made by the subscribers of the Certificates of Deposit to the Issuer and, if applicable, on which a Certificate of Deposit starts to yield interest.

- 1.30 **Redemption** The Certificates of Deposit will be redeemed:

- (i) in the case of Discount Certificates of Deposit, at a price which is calculated according to the formulae given in “Issue Price” above.

Considering that, for the purpose of these formulae:

- (a) the issue price is to be understood as the redemption price;
- (b) the annual yield remains the issue yield;
- (c) the actual number of days to take into account are those remaining between the early redemption date and the Maturity Date;

(ii) in the case of Interest-bearing Certificates of Deposit, at their principal amount in the relevant currency together with accrued interest up to the date fixed for redemption.

1.31 Issue Price

The issue price of each Discount Certificate of Deposit will be calculated as follows:

$$IP = \frac{NA}{1 + \left(\frac{T}{X} \cdot \frac{Y}{100} \right)}$$

where:

IP is the issue price
NA is the Nominal Amount of the Certificate of Deposit
T is the actual number of days elapsed between the Issue Date (included) and the Maturity Date (excluded) of the Certificate of Deposit
Y is the annual yield of the Certificate of Deposit
X is 360 or 365 days according to the ISDA day count conventions applicable to the relevant currency at the time of issue of the Certificate of Deposit.

Interest-bearing Certificates of Deposit may be issued at par, at a discount or at premium to their nominal amount.

(b) the Issuer fails to duly observe or perform any other of the material undertakings contained herein and such failure is continuing for fifteen (15) Business Days after the date on which written notice of such failure requiring the Issuer to remedy the same shall have been addressed to the Domiciliary Agent and/or the Issuer; or

SCHEDULE 1
Selling Restrictions

In Belgium, there are no restrictions in respect to the purchase and transfer of the Certificates of Deposit other than (i) that the Certificates of Deposit are kept at all times on a securities account with a participant in the Clearing System, and (ii) no issuance or transfer of Certificates of Deposit may result in any investor holding Certificates of Deposit for an amount of less than EUR 250,000.

Outside Belgium, the Certificates of Deposit may be purchased, offered or sold only in compliance with applicable laws and regulations of these jurisdictions and/or of the home countries of the relevant currencies in which they are purchased, offered or sold.

The Dealer has represented, warranted and agreed to the Issuer only that it has, to the best of its knowledge and belief, complied with and will comply with all applicable laws and regulations in any jurisdiction in which it may offer, sell or deliver Certificates of Deposit and it will not directly or indirectly offer, sell, resell, re-offer or deliver Certificates of Deposit or distribute the Information Memorandum, advertisement or other offering material in any country or jurisdiction except under circumstances that will result, to the best of its knowledge and belief, in compliance with all applicable laws and regulations.

The offering for sale of Certificates of Deposit may, in jurisdictions other than Belgium, be restricted by law. Potential investors shall be responsible for complying with applicable legislation in said other jurisdictions. In particular, they shall comply with the restrictions involving the United States of America and the United Kingdom, as set out hereunder.

(a) The United States of America

The Certificates of Deposit have not been and shall not be registered under the U.S. Securities Act of 1933 (the "**Securities Act**") and may not be offered, sold or delivered within the United States or to U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

(b) The United Kingdom

Certificates of Deposit having a maturity of one year or more may not be offered or sold, prior to the expiry of the period of six months from the issue date of the Certificates of Deposit, to persons in the United Kingdom except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 (as amended), and subject to compliance with all applicable provisions of the Financial Services and Markets Act 2000 (the "**FSMA**") with respect to anything done in relation to the Certificates in, from or otherwise involving the United Kingdom. Any information likely to lead to the purchase of Certificates of Deposit may only be or caused to be communicated as an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) in connection with the issue or sale of any Certificates of Deposit in circumstances in which section 21(1) of the FSMA does not apply to the Issuer. Certificates of Deposit having a maturity of less than one year may only be issued to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and any such Certificates of Deposit may not be offered or sold by such persons other than to persons: (1) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or (2) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses, where the issue of the Certificates of Deposit would otherwise constitute a contravention of Section 19 of the FSMA by the Issuer.

(C) PRIIPS Regulation and Belgian Code of Economic Law

If the Certificates of Deposit are issued with a floating rate interest note, then they are not intended, from 1 January 2018, to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (a) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (“MiFID II”); (b) a customer within the meaning of Directive 2002/92/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (c) not a qualified investor as defined in Directive 2003/71/EC. Consequently no key information document, as required by Regulation (EU) No 1286/2014 (the “PRIIPs Regulation”), for offering or selling the Certificates of Deposit or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Certificates of Deposit with a floating rate note or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

In general the Certificates of Deposit are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any consumer (*consument/consommateur*) within the meaning of the Belgian Code of Economic Law (*Wetboek van economisch recht/Code de droit économique*).
