KBC Group NV Announces Cash Tender Offer for its €1,000,000,000 Undated Deeply Subordinated Additional Tier 1 Fixed Rate Resettable Callable Securities

10 September 2024. KBC Group NV (the “Offeror”) announces today an invitation to holders of its outstanding €1,000,000,000 Undated Deeply Subordinated Additional Tier 1 Fixed Rate Resettable Callable Securities (ISIN: BE0002592708) (the “Securities”) to tender such Securities for purchase by the Offeror for cash up to a maximum principal amount of Securities to be announced by the Offeror as set out herein (such invitation, the “Offer”). The Offeror will announce the Maximum Acceptance Amount (as defined below) as soon as practicable following pricing of the New Securities (as defined below).

The Offer is being made on the terms and subject to the satisfaction (or waiver) of the New Issue Condition (as defined below) and the other conditions described in the tender offer memorandum dated 10 September 2024 (the “Tender Offer Memorandum”) prepared by the Offeror in connection with the Offer, and is subject to the offer restrictions set out below, as more fully described in the Tender Offer Memorandum. For detailed terms of the Offer, please refer to the Tender Offer Memorandum, copies of which are (subject to distribution restrictions) available from the Tender Agent as set out below. Capitalised terms used but not otherwise defined in this announcement shall have the meanings given to them in the Tender Offer Memorandum.

Summary of the Offer

A summary of certain of the terms of the Offer appears below:

Description of the Securities	ISIN / Common Code	Outstanding Principal Amount	First Call Date	Purchase Price	Maximum Acceptance Amount
€1,000,000,000 Undated Deeply Subordinated Additional Tier 1 Fixed Rate Resettable Callable Securities	BE0002592708 / 181181761	€1,000,000,000	24 October 2025	99.625 per cent.	Subject as set out in the Tender Offer Memorandum, up to a maximum principal amount of Securities to be announced by the Offeror following pricing of the New Securities and which is expected to be equal to the aggregate principal amount of New Securities to be issued

Rationale for the Offer

The purpose of the Offer and planned issuance of the New Securities is to proactively manage the Offeror’s capital structure. The Offer also provides Holders with the opportunity to sell their current holdings in the Securities and apply for priority in the allocation of the New Securities.

As mentioned below in “New Issue Condition”, it is the intention of the Offeror to issue concurrently with the Offer a series of new euro-denominated undated deeply subordinated additional tier 1 fixed rate resettable callable securities (the “New Securities”).

Holders should note that the Offeror is not obliged to allocate any New Securities to a Holder that has validly tendered or indicated a firm intention to tender its Securities for purchase pursuant to the Offer and, if any such

New Securities are allocated, the principal amount thereof may be less or more than the principal amount of Securities tendered by such Holder and accepted for purchase by the Offeror pursuant to the Offer.

Securities purchased by the Offeror pursuant to the Offer are expected to be cancelled and will not be re-issued or re-sold.

Purchase Price and Accrued Interest Payments

The Offeror will, on the Settlement Date, pay for any Securities validly tendered and accepted for purchase by it pursuant to the Offer a fixed cash purchase price for such Securities (the “**Purchase Price**”) equal to 99.625 per cent. of the principal amount outstanding of the relevant Securities.

The Offeror will also pay an Accrued Interest Payment in respect of any Securities accepted for purchase pursuant to the Offer.

Final Acceptance Amount and Scaling

The Offeror proposes to accept for purchase pursuant to the Offer up to a maximum principal amount of Securities to be announced by the Offeror following pricing of the New Securities and which is expected to be equal to the aggregate principal amount of New Securities to be issued (such amount, the “**Maximum Acceptance Amount**”), although the Offeror reserves the right, in its sole discretion, to accept significantly less than (or none of) the Maximum Acceptance Amount for purchase pursuant to the Offer (the final aggregate principal amount of Securities accepted for purchase pursuant to the Offer, being the “**Final Acceptance Amount**”). The Final Acceptance Amount will not exceed the Maximum Acceptance Amount.

If the Offeror decides to accept for purchase valid tenders of Securities pursuant to the Offer and the aggregate principal amount of Securities validly tendered pursuant to the Offer is greater than the Final Acceptance Amount, the Offeror intends to accept such Securities for purchase on a *pro rata* basis such that the aggregate principal amount of Securities accepted for purchase pursuant to the Offer is no greater than the Final Acceptance Amount, as further described in the Tender Offer Memorandum.

New Issue Condition

The Offeror also announced today its intention to issue the New Securities, subject to market conditions.

Whether the Offeror will purchase any Securities validly tendered in the Offer is subject, without limitation, to the successful completion (in the sole determination of the Offeror) of the issue of the New Securities (the “**New Issue Condition**”).

Even if the New Issue Condition is satisfied or waived, the Offeror is under no obligation to accept for purchase any Securities tendered pursuant to the Offer. The acceptance for purchase by the Offeror of Securities validly tendered pursuant to the Offer is at the sole discretion of the Offeror, and tenders may be rejected by the Offeror for any reason.

*Neither this announcement nor the Tender Offer Memorandum constitutes an offer to buy or sell, or a solicitation of an offer to sell or buy, any New Securities (and tenders of Securities for purchase pursuant to the Offer will not be accepted from Holders) in any circumstances in which such offer or solicitation is unlawful. Any investment decision to purchase any New Securities should be made solely on the basis of the information contained in the prospectus to be prepared by the Offeror in connection with the issue and listing of the New Securities (including any amendment or supplement thereto, the “**Prospectus**”), and no reliance is to be placed on any representations other than those contained in the Prospectus. Subject to compliance with applicable securities laws and regulations, a preliminary prospectus (the “**Preliminary Prospectus**”) dated on or about 10 September 2024 relating to the New Securities is available from the Global Coordinator and Lead Dealer Manager and from the additional Dealer Manager (in their capacity as bookrunners of the issue of the New Securities) on request. Holders who may wish to subscribe for New Securities should carefully consider all of the information in the Preliminary Prospectus and (once published) the Prospectus, including (but not limited to) the risk factors therein.*

For the avoidance of doubt, the ability to purchase New Securities is subject to all applicable securities laws and regulations in force in any relevant jurisdiction (including the jurisdiction of the relevant Holder and the selling restrictions set out in the Prospectus). It is the sole responsibility of each Holder to satisfy itself that it is eligible to purchase the New Securities.

The New Securities are not being, and will not be, offered or sold in the United States. Nothing in this announcement nor the Tender Offer Memorandum constitutes an offer to sell or the solicitation of an offer to buy the New Securities in the United States or any other jurisdiction. The New Securities may not be offered, sold or delivered in the United States absent registration under, or an exemption from the registration

requirements of, the United States Securities Act of 1933, as amended (the “**Securities Act**”). The New Securities have not been and will not be registered under the Securities Act or the securities laws of any State or other jurisdiction of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

Compliance information for the New Securities:

EU MiFID II professionals/ECPs-only/No EU PRIIPs or UK PRIIPs KID – eligible counterparties and professional clients only (all distribution channels). No sales to EEA, UK or Hong Kong retail investors; no key information document has been or will be prepared. No sales in Belgium to consumers within the meaning of the Belgian Code of Economic Law dated 28 February 2013, as amended.

See the Preliminary Prospectus and (once published) the Prospectus for further information.

No action has been or will be taken in any jurisdiction in relation to the New Securities to permit a public offering of securities whereby such public offering would lead to a requirement to publish a prospectus or a similar requirement.

Allocation of the New Securities

When considering allocation of the New Securities, the Offeror may give preference to those Holders that, prior to such allocation, have validly tendered or have given a firm intention to any Dealer Manager that they intend to tender their Securities for purchase pursuant to the Offer. Therefore, a Holder that wishes to subscribe for New Securities in addition to tendering its existing Securities for purchase pursuant to the Offer may be eligible to receive, at the sole and absolute discretion of the Offeror, priority in the allocation of the New Securities, subject to the issue of the New Securities, the selling restrictions that will be contained in the Prospectus relating to the New Securities and such Holder making a separate application for the purchase of such New Securities to any Dealer Manager (in its capacity as bookrunner of the issue of the New Securities) or any other bookrunner of the issue of the New Securities in accordance with the standard new issue procedures of such bookrunner. Any such preference will, subject to the sole and absolute discretion of the Offeror, be applicable up to the aggregate principal amount of Securities tendered by such Holder (or in respect of which such Holder has indicated a firm intention to tender as described above) pursuant to the Offer. However, the Offeror is not obliged to allocate any New Securities to a Holder that has validly tendered or indicated a firm intention to tender its Securities for purchase pursuant to the Offer and, if any such New Securities are allocated, the principal amount thereof may be less or more than the principal amount of Securities tendered by such Holder and accepted for purchase by the Offeror pursuant to the Offer. Any such allocation will also, among other factors, take into account the minimum denomination of the New Securities (being €200,000).

All allocations of the New Securities, while being considered by the Offeror as set out above, will be made in accordance with customary new issue allocation processes and procedures in the sole and absolute discretion of the Offeror. In the event that a Holder validly tenders Securities pursuant to the Offer, such Securities will remain subject to such tender and the conditions of the Offer as set out in the Tender Offer Memorandum irrespective of whether that Holder receives all, part or none of any allocation of New Securities for which it has applied.

Holders should note that the pricing and allocation of the New Securities are expected to take place prior to the Expiration Deadline for the Offer and any Holder that wishes to subscribe for New Securities in addition to tendering existing Securities for purchase pursuant to the Offer should therefore provide, as soon as practicable, to any Dealer Manager any indications of a firm intention to tender Securities for purchase pursuant to the Offer and the quantum of Securities that it intends to tender.

Tender Instructions

In order to participate in, and be eligible to receive the Purchase Price and Accrued Interest Payment pursuant to, the Offer, Holders must validly tender their Securities for purchase by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender Agent by 5.00 p.m. (CEST) on 17 September 2024 unless extended, re-opened, amended and/or terminated as provided in the Tender Offer Memorandum (the “**Expiration Deadline**”).

Holders holding Securities directly in the NBB-SSS or through a participant or sub-participant of the NBB-SSS (other than a Clearing System) must, in order to be eligible to participate in the Offer in the manner specified in the Tender Offer Memorandum, (i) arrange for the Securities which they wish to tender to be transferred to an account in either of the Clearing Systems and (ii) maintain or, where relevant, procure access to an account in either of the Clearing Systems through which such Securities

can be traded, and to which both the Purchase Price and the applicable Accrued Interest Payment may be credited by the Offeror.

Holders who do not have access to an account, as described above, in either of the Clearing Systems (either directly or through a Direct Participant or other intermediary), or who do not transfer the Securities which they wish to tender to a Direct Participant in either Clearing System, will not be able to submit a Tender Instruction to the Tender Agent and will not be eligible to participate in the Offer in the manner specified in the Tender Offer Memorandum.

Any Holder who (i) holds its Securities directly, or through a participant or sub-participant of the NBB-SSS, in an “N account” within the NBB-SSS, (ii) is not eligible, in accordance with Article 4 of the Belgian Royal Decree of 26 May 1994, to hold its Securities (directly or indirectly) in an “X account” within the NBB-SSS and who is therefore unable to transfer the relevant Securities to an account in either Clearing System and (iii) who is eligible to view the Tender Offer Memorandum and make an investment decision with respect to the Offer may contact the Tender Agent for further information, using the contact details set out below.

Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum.

Tender Instructions must be submitted in respect of a minimum principal amount of Securities of no less than €200,000 (being the minimum denomination of the Securities), and may be submitted in any integral multiple of €200,000 thereafter.

A separate Tender Instruction must be completed on behalf of each beneficial owner.
